ARRIVE TO STYLE AND FAMILY FUN!

The boathouse awaits your arrival. A gentle walk to the cottage where every principle room has a view of the water. Away from it all, with peace and quiet at last.

Then you look around…and, what you see is absolutely fabulous. Come on in and make yourself at home. Relax and enjoy!

The Setting

We can assure you that here you will experience spectacular views with sun all day long. Lounge on the various decks and docks with excellent privacy, enjoy the sun, jump in the lake to cool off in the deeper water, lounge in the water on a chair in the shallower water front off to the side on a super hot day, play with the little ones on the beach…whatever you decide is your favourite pass time, you can do it here.

All the comforts of home

There are 5 bedrooms and 3 full washrooms, which includes a beautiful master suite. There is a Muskoka room for those sometimes buggy nights, spacious, open concept living dining area and kitchen with outdoor dining deck, a gym, an office, and so much more.

You have arrived to your special Muskoka property to make your new memories. ENJOY!!!
